Disciplinary Definitions

Disciplinary Definitions

ACA Recommendation

- Remove injury as a defining term in disciplinary rules
- Remove several disciplinary offenses (including assault and staff/inmate provocation)
- Add several disciplinary offenses (including assault with weapon and assault without weapon)

Disciplinary Definitions

Actions Taken

- ✓ Conducted a comprehensive review of disciplinary and incident definitions to add clarity and reduce subjectivity
- ✓ Removed injury as a defining term in disciplinary rules
- ✓ Removed several disciplinary offenses (including assault and staff/inmate provocation)
- ✓ Added several disciplinary offenses (including assault with weapon and assault without weapon)
- ✓ Consolidated repetitive incident codes
- ✓ Added incident codes to more effectively track contraband and interdiction efforts

Disciplinary Definitions

Definitions

- Previous assault definition
 - Any intentional injury upon the person of another
- New assault with weapon definition
 - The assaulting of any staff member, inmate, visitor or guest using any object as a weapon, including any liquid or solid substances thrown on or otherwise projected on or at such person, regardless of whether contact is made. The use of teeth will also constitute a violation of this rule.
- New assault without weapon definition
 - Hostile physical contact or attempted physical contact with a staff member, inmate, visitor or guest, including, but not limited to hitting, shoving, wrestling, kicking or similar behaviors.

Disciplinary Definitions

Current Status

- Departmental policies have been revised to reflect new codes and definitions
- Staff training is ongoing
- Communication with inmates is under way including sharing the revised policies with inmates
- New policies effective January 11, 2016
